Ideas for Using These Cards

- The Motif Game
 - Compose a musical motif that you can remember and hold in your head.
 - Lay the cards out on the floor like a board game. Roll dice to move your game piece along and modify your motif as directed on each card you land on.
 - Award points based on how hard each challenge is.
- Piece Review
 - Pick a piece or a phrase in a piece. Draw a card from the stack and play the piece or phrase as directed.
- Composition Modification
 - Compose a short piece.
 - Draw a card and modify the piece as directed.
